Description: Identify your desired delivery country in **Table 1: Zone and country code by country\*** and note the number in the "Zone" column.  
 Now look in **Table 2: DHL Express Worldwide: Shipping prices by zone up to 70 kg (in €)\*\*** in the column of your noted zone and determine the corresponding line based on the weight in the left-hand column "KG".  
 Example: Delivery country is Angola, weight of the shopping cart is 43 kg. For Angola, zone 10 is determined from table 1\*. In table 2\*, the line 40-45 kg is identified on the basis of the weight.  
 The price for zone 10 and this weight is therefore 866.53 €.

Note: For the countries marked in red, DHL shipping is not possible or only possible to a limited extent due to government restrictions. Please contact us by e-mail at [info@motorparts.de](mailto:info@motorparts.de) if you have any questions about the conditions for your desired country of delivery.
